SENATE BILL

No. 88

Introduced by Senator Chesbro

January 27, 2003

An act to add Section 23399.6 to the Business and Professions Code, relating to alcoholic beverages.

LEGISLATIVE COUNSEL'S DIGEST

SB 88, as amended, Chesbro. Alcoholic beverages: permits: winegrowers.

Existing law permits the Department of Alcoholic Beverage Control to issue special temporary licenses and permits to various entities for limited purposes.

This bill would authorize the department to issue a wine sales event permit to allow a licensee under a winegrower's license to sell bottled wine that is produced by the winegrower at an approved event held by a tax-exempt organization, as specified, for not more than 5 consecutive days.

The bill would prohibit a wine sales event permit from being used more than 2 times a month at a particular location, and limit the amount of wine a licensee may sell under a permit.

The bill would authorize the organization to charge a fee for the licensee's use of display booth space, and require the organization to allow the participation of more than one winegrower under a permit if public attendance at an event is expected to reach or exceed 1,000 people.

This bill would also require the department to report to the Legislature within 24 months whether the \$50 wine sales event permit fee is sufficient to compensate the department for extra costs it may incur in administering and enforcing these provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 23399.6 is added to the Business and
2 Professions Code, to read:

8 the department. The sale of the wine shall not be the primary
9 purpose of the event, and the sale shall be for consumption off the
10 premises where sold. The permit shall be valid for a maximum of
11 five consecutive days during the event period. The event shall be
12 sponsored by an organization that is exempt from taxation under

17 Revenue and Taxation Code.

1 (b) A wine sales event permit may not be used more than two
2 times a month at a particular location.

3 (c) Consent for sales at each event shall be first obtained by an
4 annual authorization issued by the department. The applicant for
5 the wine sales permit is required to notify the city, county, or city

17 of the licensee's license or permit, or both, as though the violation
18 occurred on the licensed premises.

20 annually pursuant to wine sales event permits issued under this
21 section to that licensee.

18 (\$50) wine event sales permit fee imposed pursuant to subdivision
19 (g) of Section 23399.6 provides sufficient funds to compensate the
20 department for any additional administrative and enforcement
21 duties it is required to perform pursuant to this act.
